

## RECIPROCAL CLUBS AT THE MONTAUK CLUB

The Montauk Club offers its members reciprocal privileges to a number of clubs, many of which are outside of the United States. Services vary from club to club; some may have overnight accommodations and dining facilities; while others may have athletic facilities, private event rooms and more.

Club members should make reservations directly with the Reciprocal Club. The Reciprocal Club will require a letter of introduction to present to the reciprocal club for each visit. Letters may be arranged by contacting the Club Manager and a letter will be emailed or faxed to the appropriate club.

Montauk Club members are asked to check the reciprocal club's website prior to their visit, as dress code and house rules may vary. The Club website provides the most up to date listing of Reciprocal Clubs. Members can click on the club name to be linked to the reciprocal club's website.

Members are encouraged to share their experiences when visiting reciprocals clubs as well as suggest additions to our list.
